

Testimonials for Ginger Lapid-Bogda PhD

Ginger is a brilliant and creative Enneagram teacher, trainer and consultant, and I have enjoyed her trainings very much. She knows the content deeply, brings new formats that engage people in the learning process, and her emotional intelligence is off the charts! She is a true pioneer in this field.

Peter O'Hanrahan, Enneagram teacher and coach, principal trainer at the Palmer/Daniels Enneagram Professional Training Program (EPTP), and founder of The Enneagram at Work (USA)

Ginger's brilliance lies in her natural ability to attune into the depths of the human soul.

Anne Geary, transformational Enneagram coach and consultant, and founder of Enneagram Charlotte (USA)

With her vast experience working with so many individuals, Ginger has the beautiful ability to let people see themselves clearly. It is really hard to deliver depth simply, but she does it with so much grace and ease. Definitely a guide to go to for your self-development journey.

Alice Yuen, MSc, author of *The Tribal Enneagram: An Illustrated Guide to the Nine Types of the Human Psyche* (Singapore)

Ginger's seven-week program, "Pursue Your Purpose," is a must-attend for all Enneagram enthusiasts. Ginger's decades of expertise in the Enneagram and helping individuals discover their purpose helped me see and believe that I had a book to write, ultimately leading me to publish it. She is incredibly insightful, intuitive, and a joy to learn from.

Beth McCord, Enneagram speaker, coach and trainer, founder of Your Enneagram Coach, and co-author of *More Than a Number* (USA)

Although I have taken many Enneagram workshops and programs over several decades, with Ginger I have experienced the deepest spiritual transformations of my life.

Adelaida Harrison, M.Ed, Enneagram coach and trainer, author of *The Neuroscience Behind the Enneagram*, and cohost of "CONOCETE con el Eneagrama" (Know Yourself with the Enneagram) (Mexico)

Ginger is an incredibly rare teacher who brings a nuance of understanding the Enneagram and people that I have not witnessed in any other Enneagram teacher. Ginger's programs have helped me to do deep transformative work with people around the world.

Milton Stewart, MBA, Enneagram coach, trainer and consultant, podcast host, and founder of Kaizen Career, Coaching and Consulting (USA)

I highly recommend the brilliance, generosity, and powerful impact of Ginger's work! Early on and after decades with the Enneagram, Ginger's materials and training consistently increased my love for the Enneagram. If you want to grow in competency as a trainer or personal life, you'll want to study with her.

Rev. Clare Loughridge, spiritual director, board chair of Michigan Human Trafficking Task Force, co-author of *Spiritual Rhythms for the Enneagram*, and @iEnneagram Motions of the Soul Trainer (USA)

Ginger's programs are authentic, inspiring, educational, exciting, door-opening, clear and well-structured. They give me not only a lot of awareness about myself and others but are also a key to how I can develop and evolve, whether in a team or as a private person. Her enormous wealth of experience with the Enneagram and its application has had an enormous impact on both me and the work I do with others.

Caroline Tanja Banz, Enneagram coach, trainer and consultant, and founder of Be Your True Self (Switzerland)

Ginger is a gifted teacher who effortlessly blends knowledge transfer with creating a safe place to learn. Her programs contain content that can be easily implemented when you walk out of the session as she gives you practical insight, sound direction, and the tools to be the best you can be. No day goes by that I don't use something Ginger has taught, written, or developed.

Uneeka Jay, Enneagram coach, trainer and consultant, award-winning speaker, and founder of Rewrite 365, a performance consulting company (USA)

Ginger's experience and knowledge of the Enneagram and how to apply it for personal and professional development is dynamic, informative and powerful! If you desire to elevate your growth using the Enneagram, Ginger's training is a must-- she has transformed my approach to working with myself and my clients.
Sharon K. Ball, LPC-MHSP, Enneagram coach and consultant, and co-author of *Reclaiming YOU, Using the Enneagram to Move from Trauma to Resilience* (USA)

Attending programs run by Ginger is both a pleasure and a privilege. Her depth of knowledge is incredible, her facilitation style is warm, encouraging and helpful. I have learned so much from her over the many programs that I have attended and am incredibly grateful to have had such wonderful learning experiences.
Tracy Tresidder, M.Ed, ICF MCC, Enneagram teacher and coach, and author of *Knowing Me Knowing Them: Understand Your Parenting Personality by Discovering the Enneagram* (Australia)

Prepare to be transformed. Ginger is world-renowned, and a smart, curious and innovative educator who continues to identify and create fresh approaches to self-understanding and growth through applications of the Enneagram. A course with Ginger will accelerate your awareness and expand your potential.
Nancy Duvall Wagner, JD, Enneagram trainer and coach and president of Choose Insight, LLC (USA)

Ginger is one of the most intuitive and gifted teachers of the Enneagram. She blends business, psychology, and years of consultative experience into uniquely designed organizational programs that are delivered with pure artistry. Her course materials are second to no other teacher in the Enneagram world.
Granville D'Souza, DBA, CEO of EQ World, and author of *EQ from the Inside Out, EQ for Success and High Performance and Unshakeable Spirit* (Singapore)

When you go through Ginger's programs, you'll benefit directly from her personal wisdom, theoretical knowledge and real-life experience as she artfully brings in simplicity, accessibility and applicability to complex and disparate elements. Be ready for a long-lasting impact!
Chloe Keric-Eli, MSc, Enneagram coach, trainer and consultant, and founder of Dixit Ennéagramme (Canada)

Ginger's programs have been a great experience for me: both challenging and exciting. I am proud of being taught by her. Everything was excellent.
Ilona Nikonova, executive coach, and HRD at TK AZS-Invest (Russia)

Ginger is one of the best Enneagram teachers I know. She is very well-versed in the art of delivering the necessary messages to her respective audiences. I have learned much and benefited from all her programs. It is not always fun and laughter, although they are enjoyable! There are also many moments of self-reflection and discovery. I am sure that you can have a breakthrough as long as you are willing to be deeply honest with yourself.
Tze Meng Chin, ICF PCC, Enneagram coach, trainer and consultant, and founder of MM Grower (Singapore)

I really appreciated how Ginger holds rigor without rigidity and her unique way of mixing non-judgmental playfulness with awareness.
Annabelle Berrios, JD, MA, social impact consultant and leadership coach (USA)

I love her programs! Ginger provides me with an infrastructure to guide how to approach coaching and a wealth of content that supports my journey to be a compassionate and knowledgeable Enneagram coach and consultant.
Gloria Hung, ICF MCC and founder of Magnet International Training & Consulting Co Ltd (Hong Kong, China)

Ginger brings a powerful presence to her teaching. A highly skilled teacher, Ginger brings engagement, aliveness, and connection to her programs. She is also a gifted facilitator of life-giving conversations who creates memorable moments, inspiration, clarity, and depth of understanding and she brings out the best in her participants.

Anne Mureé, Enneagram educator, transformational coach, and founder of Olive Branchways Consulting (USA)

Ginger's insight, creativity and experience ensure the programs she develops and delivers are not only extraordinary in what they offer but also personally relevant and timely for my own learning and development.

Gayle Hardie, co-founder of Global Leadership Foundation and co-author of *The Emotionally Healthy Leader* (Australia)

Ginger's most recent programme, "Transform your Team with the Enneagram." is one of the most useful and game-changing Enneagram courses that I have ever attended. I also love the fact that her books and tools are visually appealing and extremely practical and that her programmes are participative and engaging!

Joni Peddie, Enneagram coach, trainer and consultant, and CEO of Resilient People (South Africa)

Having taken many of Ginger's programs, I deeply value her depth of instruction and personalized approach. She's allowed me to become a better trainer and coach using the Enneagram.

Annie Girard, MBA, strategic business consultant, Enneagram coach and trainer, and founder of Algeria Consulting (Canada)

Ginger just keeps getting better – love her wisdom, her workshops, her expertise and her spirit.

Leanne Smullen, MBA, army veteran, DEI professional, and Enneagram coach and trainer (USA)

Ginger provides immersive, unforgettable experiences that she guides us through! I experienced it! She creates experiences of deep immersion, masterfully held with the encouragement, intervention, push, and breathing techniques of an amazing expert midwife.

Phil Shovlin, MSc, Enneagram coach, trainer and consultant (Ireland)

Ginger is undoubtedly a benchmark in the world of the Enneagram and its application at the organizational level. Her programs always provide original and applicable ideas and are designed with care, seriousness, consistency and great attention to detail. In addition, Ginger has the rare ability to bring people together for a common effort, which often results in something different, new and useful. I highly recommend attending her program as it will provide great insights on both personal and professional levels.

Gema de la Rosa, Enneagram coach, consultant and trainer, and director of certification at Maybe International (Spain)

Ginger's ability to guide and inspire is evident in her clear, engaging and interactive teaching style and her ability to create a safe and encouraging learning environment, where everyone felt comfortable sharing their own experiences and insights. What truly sets Ginger apart is her ability to not only teach the Enneagram, but to also model it in her facilitation style, her own self-awareness, and her ability to relate to and communicate with people of different types. She's truly inspiring.

Sarah Hanna, MS, senior engineering manager, and Enneagram coach and trainer (USA)

These programs work extremely well (like for all Ginger's programs I have attended); fabulous learning from an unmatched, respected teacher Ginger!

Alok Narain, Enneagram coach and trainer and co-founder and director of Emergence Learning Solutions (India)
